

CPA Match by the State to Carver by Year

2011 - 49% match	statewide average = 26.6%
2010 - 50% match	statewide average = 31.5%
2009 - 100% match	statewide average = 40.4%
2008 - 100% match	statewide average = 73.7%
2007 - 100% match	statewide average = 100.0%

The above matches represent the amounts in percent of matching dollars that are provided to the Town on a year by year basis. For example, for every \$100.00 the town collected in Community Preservation funds in 2011, the State paid to the Town an additional \$49.00 making the effective total \$149.00 (a 49% return on investment!!).
